BECK PARTNERS REPRESENTATION OF THE PORT OF PENSACOLA

Pensacola, FL (September 30, 2019) – The City of Pensacola has recently retained Justin Beck, CEO, and Thomas McVoy, Sales Associate, of Beck Partners as the exclusive broker for the Port of Pensacola.

“Having served the Pensacola market for over 30 years, Beck Partners is uniquely positioned to serve the diverse needs of the Port of Pensacola.” states Justin Beck, CEO at Beck Partners.

The Port of Pensacola has 60 +/- acres of property in downtown Pensacola and includes general purpose buildings, warehouses, and unimproved land ready for leasing and development. Beck Partners provides the Port of Pensacola the convenience of local Real Estate expertise.

“Beck Partners is looking forward to the opportunity to represent Amy Miller and Clark Merritt at the Port of Pensacola,” stated Thomas McVoy, Sales Associate at Beck Partners. “We have a deep passion for our city and are very grateful to take on this task to help make the Port more profitable for the community. Our focus will be to help the Port team implement the main precepts of the recently completed Port Vision Plan. We will do this by bringing clean cargo, water-dependent and blue economy tenants to the core working port area and marketing under-performing near-the-gate and outside-the-gate properties for diversification into new uses that will activate and monetize those areas.”

Beck Partners is headquartered in Pensacola, Florida, with additional offices in Tallahassee, Florida, Jacksonville, Florida, and Mobile, Alabama. They are an innovative real estate and insurance services firm who has been doing business in the Southeast for over 30 years.
